Bachelor of Arts in Film and Media Studies, May 2006

### Selected courses

Digital Video Production	Marketing	Photography
Digital Animation	Advertising and Promotion	Writing the Screenplay
Film Production	Technical Communication	Experimental Video

## EXPERIENCE

### Media Production, DVTime Studios, Blue Bell, PA 2003-2006

- Edited corporate presentations, often integrating PowerPoint slides into video
- Designed and programmed DVD navigation menus
- Co-developed online virtual tour product which provides interactive 360° views of a location using any web browser

### Intern, Tierney Communications, Philadelphia, PA Summer 2005

- Assisted in refurbishment of Avid editing suite to create a more professional appearance and more efficient operation
- Edited highlights reel of radio and television clips which was used by PR department to show success of McDonald's LPGA sponsorship
- Created a presentation on digital media formats which was used to assist non-technical staff in understanding technical requirements of clients
- Researched presentation equipment to be used by sales teams on the road and in-house that would make the agency's presentations stand out from those of the competition

### Assistant Director, Germantown Academy Audio/Video Camp, Ft. Washington, PA Summer 2003-2004

- Taught video production to a group of 20 students aged 9-14
- Provided instruction in screenwriting, storyboarding, camera operation, audio, lighting, and editing
- Taught iMovie, Final Cut Express, Final Cut Pro, and iDVD
- Students were able to create their own videos using the skills they learned

### Intern, Stone-Glidden, Doylestown, PA May 2002

- Observed sales and design process of high-end home theater and audio systems
- Assisted with and observed installation of systems at all stages of completion

### Computer Staff, Germantown Academy, Ft. Washington, PA Summer 1999-2002

- Helped maintain over 200 Macintosh computers used by students and faculty in a K-12 school
- Repaired and upgraded hardware and software (RAM, hard drive, network card, OS, applications)
- Tested and configured systems to ensure their preparedness for start of academic year
